Sir:

RESPONSE

In response to the Notification of Non-Compliance with 37 CFR 1.192(c) mailed April 27, 2000, the present Appeal Brief is filed in triplicate pursuant to 37 CFR 1.192, addressing the examiner's concerns that the brief did not contain a concise explanation of the claimed invention, referring to the specification by page. This should rectify the Notification of Non-Compliance with 37 CFR 1.192(c), and clarify the issues for the Appeal.

Respectfully submitted,
